PRICE LIST		IN & OUTDOOR- DESINFECTION SPRAYER		2020-05-10
130L- 280L	Order Number	Description	PRICE €	
<p><i>SprayStriker™ Disinfection Sprayer</i></p> 	H28830 H28831	<b>HillTip® SprayStriker™ M-series NEW 2020!</b> <b>130M HillTip SprayStriker™</b> <b>280M HillTip SprayStriker™</b>  Disinfection Sprayer with 12V Twin pump & tank system for IN & OUTDOOR use. The "M" Spraystriker™- model is manually towed and is designed to go through all standard doors widths (80cm). The sprayer unit is calibrated with StrikerSmart™ App to have the best accuracy of flow and pressure to get droplets as low as 30-50 micron. The Spraystriker has two hose reels and two separate tanks for separate liquids as standard. It's controlled via Smartphone or by the switch-panel at the towing handle. The sprayer unit can also be equipped with De-icing nozzles. The sprayer is installed on a 3 wheel trolley with a 12V battery and 220V charger.	9 460 € 9 860 €
